

THALASSA

TWO INTERPRETATIONS OF THE MEDITERRANEAN, ONE SHARED ESSENCE

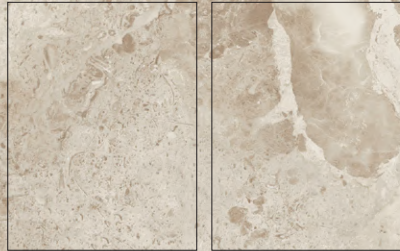

Thalassa is a collection inspired by the serene beauty of Mediterranean landscapes and the enduring appeal of hand-crafted materials. Available in 59.5x119.2, 59.5x59.5 and 120x120 cm formats, the collection unfolds through two complementary graphics that create spaces with their own distinct personality while maintaining a warm, natural aesthetic identity.

Thalassa es una colección inspirada en la belleza serena de los paisajes mediterráneos y en el valor de los materiales con apariencia artesanal. Disponible en los formatos 59.5x119.2, 59.5x59.5 y 120x120 cm, la serie se desarrolla a través de dos gráficas complementarias que permiten crear espacios con personalidad propia, manteniendo una misma identidad estética cálida y natural.

Dos miradas al Mediterráneo, una misma esencia

Thalassa Caliza, meanwhile, draws inspiration from the graphic richness of Ceppo di Gré, bringing greater visual depth and a more stone-like character while preserving the elegance and luminosity that define the collection. This design incorporates Hypertouch 3D technology, which synchronises relief and design to create a more realistic and immersive surface.

Thalassa Caliza se inspira en la riqueza gráfica del Ceppo di Gré, aportando mayor profundidad visual y carácter pétreo sin perder la elegancia ni la luminosidad que definen la colección. Esta propuesta incorpora la tecnología Hypertouch 3D, que sincroniza relieve y diseño para lograr una superficie más realista y sensorial.

Thalassa Brisa Decor

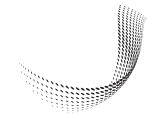

59,5x119,2 Rect.

Thalassa Brisa Decor, available in Bone and Sand, evokes the softness of hand-worked plaster through a subtle, enveloping surface aligned with the latest interior design trends and the Japandi aesthetic. This range incorporates Hypertouch 3D technology, reinforcing the natural character of a collection conceived to create welcoming, timeless spaces full of authenticity.

Thalassa Brisa Decor, en colores Bone y Sand, evoca la suavidad del yeso trabajado a mano mediante una superficie sutil y envolvente, alineada con las tendencias de interiorismo más contemporáneas y el estilo Japandi. Esta propuesta incorpora la tecnología Hypertouch 3D, reforzando el carácter natural de una colección concebida para crear espacios acogedores, atemporales y llenos de autenticidad.
